See Local Rule 36(c).

PER CURIAM:

Chaledeeannka Goyens appeals the district court's order dismissing her civil action for failure to state a claim upon which relief may be granted. We have reviewed the record and the district court's opinion accepting the recommendation of the magistrate judge and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Goyens v. North Carolina Dep't of Health & Human Res., No. CA-99-196-4-H (E.D.N.C. Jan. 28, 2000). We deny the parties' motions to expedite the appeal, and we deny Goyens' "motion for release pending of records." We deny Goyens' motion for oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
