PER CURIAM:

Bettina M. Scott appeals from the entry of summary judgment in favor of the Defendant in this employment discrimination action against the Substance Abuse and Mental Health Services Administration ("SAMHSA"). We have reviewed the record and the district's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Scott v. Shalala, No. CA-99-2230-S (D. Md. Dec. 21, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
