versus

Appeal from the United States District Court for the Southern District of West Virginia, at Huntington. Charles H. Haden II, Chief District Judge. (CA-95-127-3)

Submitted: September 29, 2000

Decided: October 12, 2000

Before WILKINS and NIEMEYER, Circuit Judges, and HAMILTON, Senior Circuit Judge.

Affirmed by unpublished per curiam opinion.

Kenneth Seaton, Margaret Seaton, Appellants Pro Se. Hugo Nathan Gerstl, Monterey, California, for Appellees.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Kenneth and Margaret Seaton appeal the district court's orders entered on February 18, February 28 and March 13, 2000, in their civil action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Seaton v. Scientific Hygiene, Inc., No. CA-95-127-3 (S.D.W. Va. Feb. 18 & 28, 2000; Mar. 13, 2000). We deny the Seatons' motion to stay the district court's proceeding and motion for extraordinary relief and the Appellees' motions to dismiss and strike the Seatons' reply brief. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
