PER CURIAM:

Francine Cole appeals the district court's orders dismissing her 42 U.S.C.A. § 1983 (West Supp. 2000) complaint. We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Cole v. Richland Mem'l Hosp., No. CA-99-412-1-17BC (D.S.C. March 23 & May 4 & 22, 2000). In light of this disposition, we deny Cole's motion to ensure corrected record on appeal and/or supplement the district court's transcript. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
