PER CURIAM:

Robert E. Green, Sr., appeals the district court's order advising him that additional repetitive filings relevant to his closed cases would be discarded without a response. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Green v. Mayor and City Council of Baltimore, No. CA-99-2941-MJG (D. Md. Oct. 2, 2000). We deny Green's motion to proceed on formal briefs and for appointment of counsel. We note that additional filings by Green regarding this matter, other than a rehearing petition or a petition for writ of certiorari, may result in the imposition of sanctions. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
