Circuit Judge.

PER CURIAM:

Henk Visser appeals the district court's order dismissing Visser's mandamus petition as frivolous. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Visser v. United States District Court Judges, No. CA-00-2878-AMD (D. Md. Oct. 5, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process. We deny the petition for pro se writ of mandamus.
