PER CURIAM:

Orville Lewis, Jr., appeals the magistrate judge's order granting summary judgment to defendants in this action arising under the Fair Credit Reporting Act. We have reviewed the record and the magistrate judge's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the magistrate judge. See Lewis v. Equifax Credit Info. Servs., No. CA-00-295 (E.D. Va. Oct. 17, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
