for Appellee.

Unpublished opinions are not binding precedent in this circuit.  
See Local Rule 36(c).

PER CURIAM:

Roger DeWitt Prince appeals the district court's order denying his motion for a new trial. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See United States v. Prince, No. CR-96-122 (D.S.C. July 20, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
