PER CURIAM:

Vincent Eugene Lineberger appeals the district court's order denying relief on his 28 U.S.C. § 2241 (1994) petition. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we deny as moot Lineberger's motion to transmit the record from the district court, deny his motion for appointment of counsel, and affirm on the reasoning of the district court. Lineberger v. United States, No. CA-00-103-5-1F (E.D.N.C. Sept. 5, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
