Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

David B. Carr seeks to appeal the district court's order denying his motion for reconsideration of the court's order remanding Carr's civil action to the state court. Remand orders are generally not reviewable on appeal. See 28 U.S.C. § 1447(d) (1994). Accordingly, we dismiss the appeal. We dispense with oral argument, because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

DISMISSED
