Unpublished opinions are not binding precedent in this circuit.  
See Local Rule 36(c).

PER CURIAM:

Arthur Jay Hirsch appeals the district court's order dismissing his civil complaint. Our review of the record and the district court's opinion discloses no reversible error. Accordingly, we affirm on the reasoning of the district court. Hirsch v. Withers, No. CA-00-98-5 (W.D. Va. March 9, 2001). We deny Hirsch's motion for declaratory judgment and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
