PER CURIAM:

Kathy M. Bledsoe appeals the district court's order granting summary judgment to the Commissioner in her action seeking judicial review of the Commissioner's decision to deny Bledsoe's application for disability insurance benefits. We have reviewed the record, the district court's opinion, and the decision of the administrative law judge and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Bledsoe v. Commissioner of Social Security, No. CA-00-43-2 (N.D. W. Va. Mar. 28, 2001). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
