PER CURIAM:

Jean A.R. Adams-Sow appeals from the district court's order granting summary judgment for Defendants on her claims under the Federal Wiretap Act provisions in Title III of the Omnibus Crime Control and Safe Streets Act of 1968, 18 U.S.C.A. §§ 2510-2522 (West 2000). We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Adams-Sow v. The Medical College of Hampton Roads/Eastern Virginia Med. Sch., No. CA-00-81-2 (E.D. Va. June 11, 2001). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
