PER CURIAM:

Viva Goddard appeals from the district court's order granting the Commissioner of the Social Security Administration's motion for judgment on the pleadings on her claims for disability insurance benefits. We have reviewed the record, the briefs, and the district court's opinion accepting the recommendation of the magistrate judge and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Goddard v. Barnhart, No. CA-00-491-2 (S.D.W. Va. Aug. 7, 2001). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
