See Local Rule 36(c).

PER CURIAM:

Charles M. Moody appeals the district court's order denying relief on his 42 U.S.C.A. § 1983 (West Supp. 2000) complaint. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Moody v. Pearson, No. CA-01-36-2 (E.D. Va. Feb. 13, 2001). Moody's motions for production of documents and for a temporary restraining order are denied. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
