PER CURIAM:

Jeffrey S. Adkins seeks to appeal the district court's order denying relief on his motion for reconsideration of the dismissal of his petition filed under 28 U.S.C.A. § 2254 (West 1994 & Supp. 2000). We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we grant permission to proceed in forma pauperis, deny a certificate of appealability, and dismiss the appeal on the reasoning of the district court. Adkins v. Attorney Gen., No. CA-93-215-R (W.D. Va. Apr. 5, 2001). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
