See Local Rule 36(c).

PER CURIAM:

Michael T. Masuoka appeals the district court's order denying his "motion for independent action to vacate and set aside the judgments filed on February 14th and 21st." We have reviewed the record and the district court's order and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Masuoka v. G.W. Murphy Construction Co., No. CA-00-829-AM (E.D. Va. Jan. 9, 2002). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
