PER CURIAM:

Edward Moore appeals the district court's order accepting the recommendation of the magistrate judge to uphold the Commissioner's decision denying Moore's application for a period of disability and disability insurance benefits under the Social Security Act. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Moore v. Barnhart, No. CA-01-8-3 (W.D. Va. Jan. 31, 2002). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
