PER CURIAM:

Sidney Lewis, Timothy Conley, and Arneshia A. Baker appeal the district court's order granting summary judgment for Defendants in this civil action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Lewis v. Emigrants Mortgage Co., No. CA-01-1585-DKC (D. Md. Mar. 20, 2002). Appellants' motion for a mediation conference is denied. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
