PER CURIAM:

Rodney Michael Bailey appeals the district court's order granting summary judgment in favor of Mid Atlantic Isotopes/GEODAX and dismissing Bailey's employment discrimination action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Bailey v. Mid Atlantic Isotopes/GEODAX, No. CA-01-3795-JFM (D. Md. filed May 1, 2002; entered May 2, 2002). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
