PER CURIAM:

Carlton W. Rembert appeals from the district court's order dismissing his action brought pursuant to Bivens v. Six Unknown Named Agents of Fed. Bureau of Narcotics, 403 U.S. 388 (1971). We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Rembert v. Neal, No. CA-02-264-2 (E.D. Va. July 23, 2002). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
