PER CURIAM:

Meredith Vanhose appeals the district court's judgment order granting summary judgment to Cabell County Jail and certain of its employees. We have reviewed the record and the district court's memorandum order and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Vanhose v. Ferguson, No. CA-00-200 (S.D.W. Va. Mar. 29, 2002). We also deny Vanhose's motion for appointment of counsel and/or attorney's fees. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
