PER CURIAM:

Brett Livingstone Strong appeals from the district court's order granting Plaintiff's motion for summary judgment and the magistrate judge's order granting Plaintiff's motion for sanctions. We have reviewed the record and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Am. Monument Found., LLC v. Strong, No. CA-02-897-A (E.D. Va. filed Feb. 12, 2003; entered Feb. 19, 2003). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
