See Local Rule 36(c).

PER CURIAM:

Marie Vaughn-Walker appeals the district court's order granting Defendant's motion for summary judgment in this employment discrimination action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Vaughn-Walker v. Principi, No. CA-02-51-4 (E.D. Va. May 6, 2003). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
