PER CURIAM:

Kelina Baltimore-Clark appeals the district court's order dismissing her claims of race discrimination and negligent hiring, retention, or supervision. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Baltimore-Clark v. Kinko's, Inc., No. CA-02-3120-8-DKC (D. Md. filed July 7, 2003 & entered July 9, 2003). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
