PER CURIAM:

Sean D. Black appeals the district court's order granting summary judgment to the defendant state officials in his 42 U.S.C. § 1983 (2000) suit. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Black v. Willis, No. CA-02-370-2 (E.D. Va. Jan. 22, 2003). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
