PER CURIAM:

Elizabeth A. Reeves appeals the district court's order denying relief on her civil action. We have reviewed the record and find that the district court properly dismissed the action as barred by res judicata. See Meekins v. United Transp. Union, 946 F.2d 1054, 1057-58 (4th Cir. 1991). Accordingly, we affirm for the reasons stated by the district court. See Reeves v. St. Mary's County Comm'rs, 268 F. Supp. 2d 576 (D. Md. 2003). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
