PER CURIAM:

Ronald G. Bailey-El appeals the district court's order dismissing his claims relating to the denial of access to the courts. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Bailey-El v. Corcoran, No. CA-00-746-DKC (D. Md. Mar. 31, 2003; filed Feb. 3, 2004 & entered Feb. 4, 2004; Apr. 16, 2004). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
