PER CURIAM:

Henry Babatunde Sonowo appeals the district court's order denying his petition for writ of mandamus in which he requested that the district court direct action by the Defendants to commence his deportation hearing and to complete the statutory administrative process. We have reviewed the record and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Sonowo v. Snyder, No. CA-04-135-5-BO (E.D.N.C. Apr. 26, 2004). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
