Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Leon Jackson, Jr., appeals the district court's orders denying his motion for reconsideration and to vacate sentence, and for documents at Government expense. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See United States v. Jackson, No. CR-95-6-A (E.D. Va. June 24, 2004 & July 7, 2004). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
