Unpublished opinions are not binding precedent in this circuit.  
See Local Rule 36(c).

PER CURIAM:

Isidoro Rodriguez appeals a district court's amended final judgment adopting in part the magistrate judge's report and recommendation and dismissing without prejudice his motion for a default judgment. We have reviewed the record and the district court's order and affirm for the reasons of the district court. See Rodriguez v. Pereira, No. CA-02-1523-GBL (E.D. Va. filed Sept. 19, 2005; entered Sept. 21, 2005). We deny Rodriguez's motions to disqualify the judges of this circuit court, for the issuance of a scheduling order and for permission to file a formal brief. We also deny the motion for oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
