PER CURIAM:

William C. Thompson appeals a district court order summarily dismissing his civil rights complaint for failing to state a claim. We have reviewed the record and the district court's order and opinion and affirm for the reasons cited by the district court. See Thompson v. Virginia Dep't of Game & Inland Fisheries, No. CA-05-102-1-JPJ (W.D. Va. Nov. 14, 2005). We deny Thompson's motion for appointment of counsel. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
