See Local Rule 36(c).

PER CURIAM:

Michael Adkins appeals the district court's order dismissing without prejudice his 42 U.S.C. § 1983 (2000) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Adkins v. Decoco, No. CA-05-118-2 (E.D. Va. filed March 17, 2005 & entered March 21, 2005). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
