PER CURIAM:

Raleigh Adolph Bellamy appeals the district court's order accepting the recommendation of the magistrate judge and dismissing his complaint without prejudice. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Bellamy v. Nationwide Ins. Co., No. 3:06-cv-00072 (W.D.N.C. Nov. 21, 2006). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
