Appeal from the United States District Court for the Western District of Virginia, at Roanoke. Jackson L. Kiser, Senior District Judge. (7:05-cv-00728-JLK)

Submitted: November 20, 2006 Decided: December 27, 2006

Before WILKINSON and TRAXLER, Circuit Judges, and HAMILTON, Senior Circuit Judge.

Affirmed by unpublished per curiam opinion.

Kevin Johnson, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Kevin Johnson appeals the district court's orders denying relief on his 42 U.S.C. § 1983 (2000) complaint and denying his motion for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Johnson v. Kilgore, No. 7:05-cv-00728-JLK (W.D. Va. Jan. 6 and Feb. 7, 2006). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
