Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Diane Collins appeals the magistrate judge's order dismissing her complaint for lack of subject matter jurisdiction.\* We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the magistrate judge. See Collins v. Cavalry Med. Transp., No. 1:07-cv-00157-PTS (M.D.N.C. Aug. 6, 2007). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

AFFIRMED

\*The parties consented to the jurisdiction of a magistrate judge under 28 U.S.C. § 636(c) (2000).
