Sean Lamont Dudley, Petitioner Pro Se.

---

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Sean Lamont Dudley petitions for a writ of mandamus seeking recusal of United States District Court Judge Richard L. Voorhees. Our review of the district court's docket reveals that there are no pending cases or motions in Judge Voorhees' court. Accordingly, although we grant leave to proceed in forma pauperis, we deny the mandamus petition as moot. We also deny the motion for stay. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
