Before MOTZ, TRAXLER, and AGEE, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Wanda Scott, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Wanda Scott appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on her 42 U.S.C. § 1983 (2006) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Scott v. South Carolina, No. 8:08-cv-00932-GRA (D.S.C. Nov. 7, 2008). We deny Scott's motions to order additional case files and to consolidate. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
