PER CURIAM:

Mary Louise Forney appeals the district court's order denying her 18 U.S.C. § 3582(c) (2006) motion. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Forney, No. 1:97-cr-00310-LHT-10 (W.D.N.C. June 26, 2008). We deny Forney's motion for appointment of counsel. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
