PER CURIAM:

James Williams, a federal prisoner, appeals the district court's order denying relief on his 28 U.S.C. § 2241 (2006) petition. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Williams v. O'Brien, No. 7:08-cv-00424-GEC-MFU (W.D. Va. July 30, 2008). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
