PER CURIAM:

Robert Taylor appeals the district court's order denying his motion for sentence reduction under 18 U.S.C. § 3582(c)(2) (2006). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Taylor, No. 5:93-cr-00132-F-1 (E.D.N.C. Feb. 25, 2009). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
