

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 10-1392

DORA TOOLE ROUNDTREE,

Plaintiff - Appellant,

v.

MARY WEBB; PAMELA GLOVER; JENNIFER HOLSTON,

Defendants - Appellees.

Appeal from the United States District Court for the District of South Carolina, at Aiken. Margaret B. Seymour, District Judge. (1:09-cv-03147-MBS)

Submitted: August 19, 2010

Decided: August 27, 2010

Before MOTZ, GREGORY, and AGEE, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Dora Toole Roundtree, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Dora Toole Roundtree appeals the district court's order accepting the recommendation of the magistrate judge and dismissing without prejudice her civil complaint, and the district court's subsequent order denying reconsideration. The district court referred this case to a magistrate judge pursuant to 28 U.S.C.A. § 636(b)(1)(B) (West 2006 & Supp. 2010). The magistrate judge recommended that relief be denied and advised Roundtree that failure to file timely objections to this recommendation could waive appellate review of a district court order based upon the recommendation.

The timely filing of specific objections to a magistrate judge's recommendation is necessary to preserve appellate review of the substance of that recommendation when the parties have been warned of the consequences of noncompliance. Wright v. Collins, 766 F.2d 841, 845-46 (4th Cir. 1985); see also Thomas v. Arn, 474 U.S. 140 (1985). Roundtree has waived appellate review by failing to file objections after receiving proper notice. Accordingly, we affirm the orders of the district court. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
