Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Bruce Lee Johnson appeals the district court's order denying his motion under Fed. R. Civ. P. 60(b)(4) to set aside his conviction on the ground that the criminal judgment against him is void. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Johnson, No. 4:02-cr-00579-CWH-2 (D.S.C. Feb. 1, 2010). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
