

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 11-7188

UNITED STATES OF AMERICA,

Plaintiff - Appellee,

v.

JULIUS BROWN,

Defendant - Appellant.

Appeal from the United States District Court for the District of Maryland, at Baltimore. William D. Quarles, Jr., District Judge. (1:00-cr-00100-WDQ-2)

Submitted: February 13, 2012

Decided: February 21, 2012

Before WILKINSON, GREGORY, and SHEDD, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Julius Brown, Appellant Pro Se. Barbara Slaymaker Sale, Assistant United States Attorney, Baltimore, Maryland, for Appellee.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Julius Brown appeals the district court's order denying his 18 U.S.C. § 3582(c)(2) (2006) motion for reduction of sentence. In his motion, Brown sought the benefit of Amendments 591 and 599 of the U.S. Sentencing Guidelines. Amendments 591 and 599 became effective on November 1, 2000, and were incorporated into the 2000 version of the U.S. Sentencing Guidelines Manual, pursuant to which Brown's Guidelines range was calculated. As such, he received the benefit of Amendments 591 and 599 at the time of sentencing in August 2001, and his § 3582(c)(2) motion was properly denied. Accordingly, we affirm. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

AFFIRMED
