PER CURIAM:

Michael A. Williams appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2006) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Williams v. Griffin, No. 5:10-ct-03122-FL (E.D.N.C. Feb. 22, 2012). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
