PER CURIAM:

Josh Cain appeals the district court's order denying his motion to reduce sentence pursuant to 18 U.S.C. § 3582(c)(2) (2006). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Cain, No. 1:06-cr-00083-IMK-JSK-2 (N.D.W. Va. Jan. 25, 2012). We deny Cain's motions for transcript at government expense, for appointment of counsel, and for stay pending appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
