Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Booker Travis Law, III, appeals the district court's order denying his 18 U.S.C. § 3582(c)(2) (2006) motion for a sentence reduction. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Law, No. 4:07-cr-00640-RBH-1 (D.S.C. Apr. 26, 2012). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
