PER CURIAM:

George H. Archibald appeals the district court's order accepting the recommendation of the magistrate judge and dismissing Archibald's civil rights action for failure to state a claim. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Archibald v. Masters, No. 5:12-cv-00095-MFU-BWC (W.D. Va. Apr. 23, 2013). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
