PER CURIAM:

Judith Jones appeals from the district court's order granting Defendants' motions to dismiss her civil claims against them and she has filed a motion to amend her informal brief. Although we grant Jones' motion to amend her informal brief, we have limited our review to the issues raised in the informal brief, see 4th Cir. R. 34(b), and affirm the district court's order. See Jones v. Montgomery Cnty. Pub. Sch., No. 8:13-cv-02795-GLR (D. Md. May 15, 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
