PER CURIAM:

Vivian A. Anderson appeals the district court's order dismissing her civil action for failure to comply with a pre-filing injunction. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Anderson v. City of Danville, No. 2:15-cv-00296-AWA-DEM (E.D. Va. July 30, 2015). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
